Pine Tar

An all natural product that can be used to retain moisture in the hoof.

**Indications:** To be used where a hoof dressing is indicated.

**Directions:** Thoroughly wash and dry the hoof wall. Apply to the hoof wall below the coronet band. For a hoof pack apply to bottom of hoof. Consistency of this product changes with temperature. If too hard place in a bucket of warm water to soften.

**Active Ingredient:** 100% Pine Tar

**Precautions:** Keep out of reach of children. For external equine use only. Do not use on horses intended for food. Keep away from eyes and mucous membranes. Discontinue use if excessive irritation develops. Do not apply to skin. Protect from freezing. Irritant. Avoid contact with skin and eyes. Wash hands and exposed skin after handling. Keep away from heat and open flame. Store in a dry, cool, well ventilated area.

**Net Content:** 1 gallon (3.8 liters)
