Neck Sweat

CONVENIENT GEL

A non-greasy gel specially formulated for all horses. When used in conjunction with an equine neoprene neck sweat or neck wrap this neck sweat will provide that finishing touch needed to win first place in any show arena. This convenient gel will not burn or blister under wrap.

INDICATION:

To be used where a neck sweat is indicated.

DIRECTIONS:

Thoroughly clean and dry affected area. Apply liberally with gentle massage, but do not rub excessively. Place a neoprene neck sweat on the horse. When sweating is complete remove neoprene neck sweat and wash neck with cold water.

PRECAUTIONS:

Use only as directed. Do not take internally. Not for use on horses intended for food. Avoid eyes and mucous membranes.

Discontinue use if excessive irritation develops. Do not apply to any type of wound, already irritated or broken skin. For external equine use only. Keep out of reach of children. Wear protective gloves when using. Wash hands and expose skin after using.

ACTIVE INGREDIENTS:

Propylene Glycol63%

INGREDIENTS:

Deionized Water, Carbomer, Disopropanolamine, Lavender, FD & C Yellow #5
