EAR WASH

TENDA EAR

A quick, safe, and odorless ear wash treatment used to remove buildup and wax. Mild Coco-Glucoside surfactants help to breakdown the wax keeping the inner ear clean and fresh. Glycerin is added to further moisturize the surface helping to reduce the overall irritation.

DIRECTIONS:

1. With cap firmly attached, vigorously shake bottle.
2. Completely wet a CLEAN, UNUSED cotton ball. Gently wipe the inside of the ear flap and the outside of the vertical canal.
3. If cotton ball becomes dirty remove & discard used cotton ball, completely wet another clean, unused cotton ball, and repeat steps 2 and 3 until cotton ball is no longer dirty.
4. Wipe out ear with a clean, dry cotton ball or clean, dry cloth.
5. Allow ear to dry.

PRECAUTIONS:

Do not pour ear wash down the dogs ear. Keep away from eyes and mucus membranes. Do not use this product if there are any kind of wounds inside the dog's ear. Keep out of reach of children. Wash hands when ear cleaning is complete. This product is for external canine use only. Do not use on dogs with an ear infection. If there is any adverse reaction or redness discontinue use and consult a veterinarian.
