Tenda Horse Products has been serving the performance horse industry for half a century, with the primary goal of developing and manufacturing exceptional products to promote and improve the overall health, soundness, performance and well-being of equine athletes.

The use of top-grade, raw ingredients and steadfast attention to detail during the manufacturing process ensure the highest quality and consistency are achieved with all products that leave our Ohio facility.

Today our products are used at veterinary hospitals, arenas, racetracks, show rings, training facilities and backyard barns across the country and around the world. All disciplines and breeds benefit from the use of Tenda products.

# Nutritional Supplements

Tenda all-natural equine performance formulas offer the proper balance of vitamins, minerals, and herbs to help your horse perform its very best. Each product is made with premium raw ingredients, and steadfast attention to detail to ensure exceptional quality and consistency.

## Pulmonary Support Paste

### BLEED-NO-MORE PASTE™

Formerly called Bleed-No-More™, B-N-M Paste is a natural source of energy for the equine athlete. Triple-strength formula is suitable for all high-performance horses. It is popular with both standardbreds and thoroughbreds in the United States and the rest of the world. B-N-M Paste is compatible with most medications. Suitable for all classes of horses.

Size	Item #	UPC Code
60 cc	4001	815487010011

## Energy Paste

### DOWN-THE-STRETCH™

Down-the-Stretch is an outstanding, all-natural source of energy for the high-performance equine athlete. This pre-event formula showcases the power of honey. Considered an essential superfood, honey is naturally rich in antioxidants, which aid in keeping your horse's muscles healthy and increasing your horse's oxygen uptake. Down-the-Stretch is suitable for all classes of horses.

Size	Item #	UPC Code
60 cc	4005	815487010035

## Energy & Recovery Paste

### FAST FINISH™

Stay longer and finish faster! Fast Finish is an outstanding all-natural source of long-lasting energy for the high-performance equine athlete. With a special combination of ingredients, Fast Finish helps your horse last longer, and finish stronger! This pre-event formula contains ingredients which may aid in lowering lactic acid buildup, reducing muscle discomfort during strenuous exercise. Fast Finish also features antioxidant rich honey, which aids in keeping your horse's muscles healthy, and increasing oxygen uptake. Fast Finish is suitable for all classes of horses.

Size	Item #	UPC Code
60 cc	4007	815487010059

## Electrolyte Paste

### RACE DAY FORMULA™

Race Day Formula is a comprehensive blend of vitamins, minerals and amino acids formulated to closely match and replace the electrolytes lost through sweat during equine performance. Race Day Formula can be used any time a horse may be exposed to physical stress, such as training, turnout, exercise, performance, excessive heat or trailering. Race Day Formula will help increase the horse's natural desire for water consumption, aiding overall health and well being. Always a great item to have on hand, be sure to keep a tube in your barn, trailer, tack trunk and emergency kit. Race Day Formula is suitable for all classes of horses. Honey flavored.

Size	Item #	UPC Code
80 cc	4009	815487010110

## Energy, Electrolyte & Recovery Paste

### ALL-IN-ONE PASTE™

All-in-One Paste is quite possibly the last pre-event paste you will ever need! All-in-One Paste features a complete combination of key ingredients to address the primary needs of every performance horse. Includes a unique blend of B-vitamins to increase both comfort and focus. Electrolytes help maintain the proper balance of salts and minerals for optimum performance. Yunnan Baiyao aids in the proper function of the respiratory and circulatory systems. Honey is a natural source of energy. All-in-One Paste is suitable for all classes of horses.

Size	Item #	UPC Code
80 cc	4011	815487010561

## Calming Paste

### B-CALM™

Specially formulated for equine athletes to assist in managing the situational stress associated with a competitive environment.

Around the barn, in the show ring, trailering, trail riding, and on the track, the very palatable B-Calm paste utilizes the essential amino acid L-Tryptophan to aide every horse in maintaining focus to achieve its optimum performance. B-Calm is suitable for all classes of horses.

Size	Item #	UPC Code
30 cc	4044	815487011186

## B-N-M Daily™

This all-natural liquid is a great source of energy for the equine athlete. B-N-M Daily provides all-natural support for horses in training or engaging in hard work. Suitable for all high-performance horses and popular with both standardbreds and thoroughbreds, B-N-M Daily is compatible with most medications. May be used in conjunction with B-N-M Paste™ for an extra boost on event day. Comes in an easy-to-use dispensing bottle. Simply squeeze the bottle and the daily dose is automatically measured and ready to be drawn with the dosing syringe.

## The Big Sweat™

The Big Sweat reduces heat, swelling, filling, soreness and inflammation in the knees, hocks, legs and ankles. Use daily as a preventative and leg tightener. Gentle yet effective, The Big Sweat is safe for use with sensitive-skinned horses and will not burn or blister.

Size	Item #	UPC Code
1 Pint	3011	815487010196
1 Gallon	3010	815487010202

## Neck Sweat

A non-greasy gel specially formulated for all horses. When used in conjunction with an equine neoprene neck sweat or neck wrap, Neck Sweat will provide that finishing touch needed to win first place in any show arena. May also be used under wrap as a leg sweat and tightener. This convenient gel will not burn or blister under wrap.

Size	Item #	UPC Code
1 Quart	8033	815487010646

# Healing Salves

A staple in every stable, the Tenda line of salves offers peace of mind when caring for horse wounds, abscesses, cracked heels, and other common skin conditions.

## Ichthammol Salve 20%

Don't be fooled by cheap imitations. Tenda Horse Ichthammol Salve 20% is a high-quality ammonium salt of dark, sulfonated shale oil procured from an Austrian mine. Ichthammol Salve 20% is a multi-purpose product that can aid in strengthening weak or brittle hooves and is commonly used as an emollient drawing agent to aid in the removal and healing of infections, such as hoof abscess. Ichthammol Salve 20% also has mild antiseptic properties that provide the ideal environment for healing some equine skin conditions when used in concentrations of less than 10%.

Size	Item #	UPC Code
16 Ounces	2005	815487010080

## Tenda Heel Salve™

An old-fashioned and time-tested horsemen's formula for the prevention and treatment of cracked heels. Rich in lanolin and flowers of sulfur, this salve is easy to apply and will not burn or blister. Mild antiseptic properties aid in healing existing scratches and scrapes. Tenda Heel Salve is suitable for all classes of horses.

Size	Item #	UPC Code
16 Ounces	7001	815487010172

## Tenda Wound™

Put blue healing power to work for your horses. Tenda Wound is an easy, convenient and pain-free way to treat nicks, cuts, scrapes, heel cracks, abrasions, hopple burns, girth itch, mild quarter cracks, rain rot, dermatitis, boot rubs and saddle sores. Guaranteed to heal most minor wounds in just 3 to 4 days. Tenda Wound is suitable for all classes of horses.

Size	Item #	UPC Code
8 Ounces	7004	815487010189

## Black Perfection Salve™

Black Perfection Salve is the original, time-tested horsemen's favorite remedy for minor scratches, abrasions and chafing. Black Perfection Salve combines the drawing power of charcoal with the antiseptic and antifungal properties of sublimed sulfur in a soft and easy-to-apply salve.

Size	Item #	UPC Code
8 Ounces	7007	815487010578

# Wound & Skin Care

Tenda Heal state-of-the-art wound treatment contains hemostatic, antimicrobial, antifungal borate-based bioactive glass, which biologically stimulates the body's natural healing process. Available in three formulas—fiber, spray and cream—to advance healing of wounds of varying degrees.

## Tenda Heal™ Spray & Cream

Wound and skin care solution for horses and pets. Advanced borate-based bioactive glass technology for superior wound care. Use on cuts, abrasions, hot spots or sores.

Size	Item #	UPC Code
16 oz Spray	5042	815487011223

105 gm	5044	815487011247

# Hoof Care

A sound horse starts with a sound hoof. Strengthen brittle hooves and ward off damaging cracks with Tenda quality hoof care products for all classes of horses.

## Pine Tar

Pine Tar is a topical antiseptic formula that helps hooves retain moisture, allowing for stronger, more pliable hooves that resist chipping and cracking. Pine Tar has natural antibacterial and fungicidal properties, making it an ideal choice for softening hard frogs and promoting new, healthy hoof growth.

Size	Item #	UPC Code

# Grooming

From everyday general grooming to prepping for a championship, our premium grooming products provide an affordable option for world-class results.

## *the original* TendaPod™ HORSE SHAMPOO PODS

It's time to think outside the bottle! Most equine shampoos contain anywhere from 50% to 80% water. You already have the water, so why pay to have water shipped to your barn?

Simply toss one TendaPod into the bathing bucket, add water, and sponge bathe up to three horses. Our scientifically developed, fast-acting lather guarantees you will be bathing your horse like a professional in no time.

Size	Item #	UPC Code
10 Pods/Pouch	1002	815487011025

## First In Show™

A Spray-on Equine Coat and Hoof Conditioner that provides gloss and shine while moisturizing coat and hooves. Non-irritating formula is gentle and easy-to-use.

Size	Item #	UPC Code
11.5 oz.	1205	815487012053

## Giddy-Up™ Shampoo

Giddy-Up Shampoo is a pH balanced, DEA-free, non-irritating equine shampoo that yields superior lather and rinses easily to leave your horse's coat clean and shiny. Suitable for everyday use, this formula will not overdry the skin or coat. Giddy-Up Shampoo features a pleasant lavender scent, is 100% environmentally friendly and biodegradable, and is suitable for all classes of horses.

# Tenda Groom®

Our line of luxuriously lathering dog shampoos is suitable for every class of pooch, from the beloved family pet to the champion show dog.

We've taken our ever-popular, original dog shampoo formula and made it even better by adding a special blend of gentle coat conditioners and aromatic fragrances for an all-in-one bathing experience. You are sure to be satisfied with world class results!

## Baking Soda & Oatmeal *with aloe* Shampoo

Professionally recommended for pets with oily coats and those prone to rolling, digging and other behavior that makes for a smelly, dirty coat; and for itchers and scratchers. Baking soda, with its antibacterial, antiseptic and antifungal properties, along with its ability to neutralize odors, is a natural cleanser ideal for explorers. Oatmeal's antioxidant and anti-inflammatory properties soothe the skin. Omega-6 fatty acids in oats contribute to a healthy, shiny coat. Aloe Vera helps retain moisture and is rich in antioxidants and minerals that help speed healing. Environmentally friendly, formulated with renewable vegetable resources.
